[Bring large, readable signs to DC on Jan 6th.](#)posted 22 days ago by [Revelation2010](#) +8 / -0

If the media covers it at all they'll probably only show images or videos that they talk over with their own spin. We need large, readable signs all over so the images and videos tell watchers what's going on. Images and videos are what will get shared throughout the internet later, so we need to use that for our message.

I'm repurposing my Trump 2020 lawn signs (only one side though). I want to do the curve "Fraud" design but can't decide on what to paint on my second one. Was thinking "TREASON" in the Biden campaign font.

Any suggestions are greatly appreciated!

Many people don't know that the claims of fraud are legitimate and evidenced because the media is covering it up. I'm thinking of making something that gives a succinct evidence about the fraud.

I think we're so far past that point we should be bringing guillotines and guns, but I see your point.
